Education

Graphic Era University

- Master of Computer Applications
- *Bachelor's of Computer Applications*

June. 2025 – Present

Dehradun , Uttarakhand

Dehradun , Uttarakhand

EXPERIENCE

Front-end Developer Intern

Oct 2024 – Nov 2024

Unified Mentor

- Developed responsive web interfaces using HTML, CSS, and modern JavaScript frameworks.
- Collaborated with UX/UI designers to implement intuitive and accessible user experiences.
- Utilized version control systems like Git for code management and collaboration.
- Participated in agile ceremonies, contributing to sprint planning and retrospectives.

Web developer Intern

Oct 2023 – Dec 2023

Internshala

- Developed and tested a web application using HTML, CSS, and JavaScript.
- Assisted in debugging and troubleshooting web applications.
- Implemented features to improve the user experience of web applications Optimized web applications for maximum speed and scalability.

PROJECTS

Automated Voice Assistant | Python, Django , TensorFlow Google Speech Recognition API

June 2024 – Present

- Developed an intelligent virtual voice assistant using Python and Machine Learning that understands and responds to natural language commands, enhancing user interaction and productivity.
- Integrated speech-to-text (STT) and text-to-speech (TTS) functionalities using libraries such as Google Speech Recognition and pyttsx3 , Optimized the assistant's response time and accuracy through continuous model training and real-world testing.

Forest Fire Management System | Python, Js, HTML , CSS, Django

May 2025 – Present

- Developed a comprehensive Forest Fire Management System to predict, monitor, and manage forest fires using Python, Django, and front-end technologies.
- The system integrates predictive analytics with a user-friendly interface to facilitate real-time decisionmaking and effective disaster management.

TECHNICAL SKILLS

Languages: Java, Python, C/C++, SQL, , HTML, CSS

Frameworks: React, Node.js, Flask

Developer Tools: Git, Github, VS Code, PyCharm, Eclipse IDE
